

WORLÉE NICECREAM

The healthy refreshment in summer

As the temperatures rise, so does the desire for refreshment. That is why we have just the thing for you - fruity NiceCream!

The mix of frozen banana + plant based milk + Worlée fruit powder is the perfect combination for a delicious and healthy summer!

The natural fruit kick

The NiceCream gets its particularly intense taste from the high-quality fruit powder from Worlée.

Our fruit powders

- consist of 100 % natural fruit
- convince by their intensive taste and colour
- are a natural sugar alternative due to their fruity sweetness
- provide valuable fiber, vitamins and minerals

The colourful variety of flavours

Our varieties are as colourful as the summer!
From classic flavours to exotic and unusual varieties,
there is plenty to choose from.

Our current product variants at a glance:

- Banana powder
- Date powder/granules
- Pineapple powder/granules
- Mango powder/granules
- Physalis powder/granules
- Sour cherry powder/granules
- Orange whole fruit powder
- Lemon whole fruit powder

Are you interested in other flavours or specific blends? Talk to us and together we will find your individual solution.

Let your customers enjoy a fruity and healthy!

Our tip!

Combine the NiceCream
with our crunchy toppings
and try our fruit granules
too!
