

The Multi-talented ingredient for perfect hair care

WorléeSqualane Olive – high-end emollient with biomimetic and active properties.

Your benefits at a glance:

- Natural Origin Index of 1 (ISO 16128)
- Non-GMO
- Ecocert and COSMOS validated
- Vegan
- Can be considered as a plant-based silicone substitute
- Colorless and odorless
- Temperature and pH-stable
- Oxidation stable
- Improves the compability of the hair without weighing the hair down
- Offers a silky, smooth texture without a greasy feeling
- Prevents moisture loss, protects against heat, strengthens the hair structure, improves shine, and enhances elasticity to prevent breakage
- Particularly suitable for hair treatment, hair oil and leave-in products
- Products with squalane can either be used daily or as often as needed
