Certifications

Some of the powders and granules are made from dried fruits that come from particularly sustainable and social ecological cultivation projects. In addition to conventional quality, we offer the following certifications:

• EU-Bio • NOP • BioSuisse • Fairtrade

Production methods

In order to preserve aroma, color, minerals and vitamins as far as possible, we rely on high-quality raw materials as well as advanced technology and processes:

- gentle drying at low temperature (< 40° C) under exclusion of oxygen
- subsequent fine grinding or granulation
- no use of trickle additives or special release agents
- from our own production in Germany
